1.0 ORCA Program and Governing Terms and Conditions

1.1 Welcome to ORCA, which stands for One Regional Card for All. The ORCA Program allows you to participate in a regional fare payment system that enables you to use a single fare card when traveling on the public transportation services provided by the participating Agencies.

1.2 You may use cash to pay your fare and choose not to participate in the ORCA Program when you ride public transportation. If you choose to use the products and services provided by the Agencies under the ORCA Program (including but not limited to ORCA Cards, ORCA Products, ORCA Websites, and ORCA Customer Services), your use will be subject to and governed by these ORCA Program Terms of Use and the ORCA Program Privacy Statement (both of which are available at www.orcacard.com, www.orcacard.biz and at ORCA Customer Assistance Offices) and such other terms and conditions, disclosures and consents that are contained in the ORCA Program Websites, forms, Business Account agreements and other written materials, all of which may be established, modified or withdrawn from time to time.

1.3 In addition to such ORCA Program-specific terms and conditions, your use of the ORCA Cards and ORCA Products is also subject to all applicable federal, state and local law, regulations, ordinances, codes and policies, including but not limited to each Agency's fares, tariffs, rates, prices, promotional programs, reduced fare programs, time and zone designations, routes, transfer policies, rules of conduct and other terms and conditions that apply to its public transportation services and which may be established, modified or withdrawn from time to time. Such other provisions applicable to public transportation service are available from the Agencies.

2.0 Definitions

As used in these Terms of Use, the following terms shall have the meanings indicated.

2.1 "Agency(ies)" means one or more of the following public transportation providers and the contractors and subcontractors which these Agencies, individually or collectively, have retained for purposes related to the ORCA Program.

- a. Central Puget Sound Regional Transit Authority ("Sound Transit");
- b. City of Everett ("Everett Transit");
- c. King County ("King County Metro");
- d. Kitsap County Public Transportation Benefit Area ("Kitsap Transit");
- e. Pierce County Public Transportation Benefit Area ("Pierce Transit");
- f. Snohomish County Public Transportation Benefit Area ("Community Transit"); and
- g. The State of Washington acting through the Washington State Department of Transportation, Washington State Ferries Division ("WSF")

For clarification, the term "Agency(ies)" does not include Business Accounts or Retail Revalue Sites.

2.2 "Autoload" means the Cardholder-authorized process for automatically loading ORCA Products on a registered ORCA Card and making a corresponding charge against the Cardholder's credit card to pay for the loaded Product.

2.3 "Business Account" means an entity other than an individual customer, including but not limited to an employer, educational institution or social service agency, that purchases Business Cards and products for distribution to its

continued...

employees, students or other program participants according to the terms of an agreement with one of the Agencies.

2.4 “Business Card” means a type of ORCA Card issued to a Business Account for distribution by it to individuals who are eligible participants in the Business Account’s transportation program.

2.5 “Card” means an ORCA Card.

2.6 “Cardholder” means a natural person to whom an individual ORCA Card has been issued by an Agency or to whom a Business Card has been distributed by a Business Account.

2.7 “Lead Agency” means one of the Agencies which, on behalf of itself and one or more of the other Agencies, signs an agreement with a Business Account for the sale of Business Cards and ORCA Products.

2.8 “ORCA” is the trademarked acronym that stands for One Regional Card for All

2.9 “ORCA Card” means the smart card that can be presented for payment of fare to ride train, bus and ferry services provided by, and in accordance with the terms established by, the Agencies. ORCA Card can mean cards issued to individuals and Business Cards, unless the context indicates it means one or the other.

2.10 “ORCA Customer Services” means the facilities and services of one or more of the Agencies that exchange, with customers, information related to the ORCA Program and conduct sales of ORCA Cards and ORCA Products, including customer services counters, telephone call-in centers, mail-in centers, business account support and ticket vending machines.

2.11 “ORCA Product(s)” or “Product(s)” means any transit fare payment option offered for sale within the ORCA Program, including, but not limited to, monthly or period passes and E-purse.

2.12 “ORCA Program” means the equipment, systems, facilities, ORCA Cards, ORCA Products, ORCA Websites, data, information, and any products and services related to the regional fare coordination and payment program implemented by the Agencies using smart cards as the common media for fare payment on their public transportation services.

2.13 “ORCA Websites” mean the following websites: Cardholder Website (www.orcacard.com) and Business Account Website (www.orcacard.biz).

2.14 “Personally Identifying Information” (or PII)” means the following information when collected by the Agencies under the ORCA Program: a natural person’s name; and, if combined with said name, such person’s address, telephone number, email address, date of birth, Regional Reduced Fare Permit-related information (as defined below) and photo, and check, debit card credit card information.

2.15 “Retail Revalue Site” means a retail business or other entity that, under an agreement with an Agency, is equipped with a device at which a customer may purchase ORCA Products for loading on an ORCA Card.

2.16 “Regional Reduced Fare Permit (RRFP)” means a type of ORCA Card issued to individuals who are determined to be eligible for reduced fares by one of the Agencies based on the individual’s disability or age (age 65 and older). All RRFP Cards are registered Cards.

2.17 “Ticket Vending Machine (TVM)” means a machine that vends Sound Transit rail tickets and also allows a customer to purchase ORCA Cards or Products.

3.0 Only Authorized ORCA Cards and ORCA Products Accepted

3.1 Only an Agency or a Business Account (e.g. your employer or another institution) may provide you with an authorized ORCA Card. You may not deface, alter, duplicate an ORCA Card or create a counterfeit ORCA Card. You may not load ORCA Products through an unauthorized means onto an ORCA Card or an unauthorized card. The Agencies do not intend to honor defaced, altered, duplicated or counterfeit cards or otherwise unauthorized cards or products.

3.2 The Agencies reserve the right to examine cards, confiscate any that are believed to be unauthorized or hold unauthorized products, and either deny transportation services to, or require payment in cash from, a person presenting unauthorized cards or products as payment for transportation service.

4.0 ORCA Products

4.1 The ORCA Products that may be loaded onto ORCA Cards represent prepaid fares on transportation services provided by ORCA Agencies. The two types of prepaid fares are:

a. Passes: The electronic equivalent of passes that are valid for use on the transportation service of one or more of the participating Agencies, depending on the type of pass.

b. E-purse: pre-paid value that may be used to pay a fare or a portion of a fare.

4.2 ORCA Cards are not, and do not represent, “accounts” or “deposits” and ORCA Products are not “money.” They simply represent the transportation fare product for which you have already paid. You may not redeem ORCA Cards and ORCA Products for money or any product or service other than an applicable transportation service provided by an ORCA Agency. Sales of ORCA Products are final and nonrefundable, except for the limited refund of E-purse value available in accordance with Section 5.0.

4.3 Payment shall be made to an Agency or to a Retail Revalue Entity for ORCA Products that are loaded onto an ORCA Card. The electronic record in the ORCA system shall be conclusive evidence of the ORCA Product value that: was loaded on an ORCA Card; and remains unused or unexpired.

4.4 Use of ORCA Products as a means of fare payment on a given trip will depend on the type of ORCA Product(s) loaded on the ORCA Card and on the policies and restrictions of the Agency providing that trip. For example:

a. Some products (passes are the most common) are specified to be usable at only one of the Agencies.

b. A pass product valued at less than the required fare and E-purse value, if loaded on a single ORCA Card, may be used in combination to cover the full amount of a single fare except on Washington State Ferries.

c. A single ORCA Card can be used to pay for two or more people traveling together. On Sound Transit, however, use of a single ORCA Card to pay for multiple riders is only accepted at a TVM.

If an ORCA Product or combination of Products is not usable or is not sufficient to cover the applicable fare, the Cardholder is required to make full fare payment by a means other than an ORCA Card.

4.5 The Agencies reserve the right to change fares at any time. To the extent value remaining on an ORCA Card is not sufficient, the Cardholder is required to make full fare payment by a means other than an ORCA Card.

4.6 The Agencies reserve the right to withdraw from the ORCA Program at any time and not accept ORCA Product(s) as fare payment. In that event, the Cardholder is required to make full fare payment by a means other than an ORCA Card.

5.0 E-purse

5.1 You may purchase E-purse value in full dollar increments, with a minimum of \$5.00 per load transaction. The maximum amount of E-purse value that may be held on an ORCA Card at any time is \$300.

5.2 E-purse value on an ORCA Card is deducted to cover the full fare of a trip less: any applicable transfer value valid within two hours of the last use of the Card (except no transfer value is recognized on Washington State Ferry service); or reduced fares (e.g. Youth Fares; the Regional Reduced Fare Permit for seniors and persons with disabilities). The amount of E-purse value remaining on your ORCA Card after a transaction will be displayed on the Card reader. If your Card fails to accurately display the remaining value, promptly report problems to ORCA Customer Service (or for ORCA Business Cards, the employer or other entity that gave you the Card).

5.3 If a ride costs more than the E-purse value remaining on an ORCA Card, the Cardholder must add sufficient cash to pay the full fare, unless an Autoload has been established as provided in Section 10.0.

5.4 A Cardholder with a registered, individual ORCA Card (i.e. not a Business Card) who opts to withdraw from the ORCA Program and surrenders said registered individual ORCA Card to an Agency may obtain a refund of the E-purse value that remains unused on the ORCA Card, less the applicable administrative fee (as specified in Section 15.0) for each E-purse refund processed. Upon surrender of the registered individual ORCA Card, it will be blocked and a refund, less the administrative fee, will be mailed to the Cardholder.

5.5 A Business Account that surrenders a Business Card to its Lead Agency may obtain a refund of the E-purse value that remains unused on the Business Card, less the applicable administrative fee (as specified in 15.0) for each E-purse refund processed. Upon surrender of the ORCA Business Card, it will be blocked and a refund, less the administrative fee, will be mailed to the Business Account. The Agencies cannot distinguish between E-purse value purchased by the Business Account and E-purse value that may have been purchased by the individual Cardholder that used the Business Card. The Lead Agency will provide a refund of remaining E-purse value only to the Business Account that owns and surrenders the Card. The refund policy of the Business Account will govern whether the

Business Account, in turn, forwards any of the refund to an individual Cardholder that claims to have personally loaded E-purse value onto the Business Card.

6.0 Card Registration

6.1 You may participate in the ORCA Program without providing any personal information. If you choose to register your ORCA Card or an ORCA Business Card provided to you by your employer or other entity, the card serial number will be linked to your personally identifying information (see Privacy Statement for more details). If you choose to register your Card via the Cardholder Website, you will be required to set up an online “MY ORCA Account” for which you also will be required to provide personally identifying information.

6.2 In registering his/her Card and in creating an online “MY ORCA Account”, the Cardholder agrees to: (a) ensure that all information provided is true, accurate, and complete; (b) promptly notify the Agencies in writing or via the ORCA Website of any changes to his/her name, address, and telephone numbers; and (c) receive information about the ORCA Program via email and/or mailings from the Agencies.

6.3 A Cardholder with a registered Card may:

- a. access information about the Card’s use and remaining value by calling ORCA Customer Service or via the Cardholder Website if he/she has an online “MY ORCA Account”.
- b. report an ORCA Card lost, stolen or damaged and have the Card blocked and replaced in accordance with Section 8.0.
- c. authorize the Autoload of new ORCA Products in accordance with Section 10.0.

7.0 Lost, Stolen or Damaged Cards

7.1 The Cardholder must take all reasonable care to prevent an ORCA Card from being defaced, altered, damaged, lost or stolen. The individual Cardholder or Business Account to whom a Card is issued bears the risk of loss if an ORCA Card is lost, stolen or damaged. A lost, stolen or damaged ORCA Card may remain valid and any ORCA Products loaded on such a Card may continue to be used for transportation services until the Product’s value has been used or expires. Provided, however, certain types of Cards may be blocked from continued use and replaced as provided in Section 8.0.

8.0 Blocking and Replacing Certain Cards

8.1 An RRFP Card, a registered ORCA Card or a Business Card that is reported as lost, stolen or damaged may be blocked and replaced as set forth herein.

8.2 To block a lost, stolen or damaged registered Card or RRFP Card and obtain a replacement, the individual to whom the Card was issued must report the missing or damaged Card via the Cardholder Website, by calling ORCA Customer Service at 1-888-988-6722 / TTY Relay: 711/1-888-889-6368; or in-person at an ORCA Customer Service Office.

8.3 A Card block will take effect when the report of a missing or damaged Card is processed in the ORCA system. For fastest processing, it is recommended that the report be submitted via the Card block function in an online “My ORCA Account.” Reports submitted in-person at an Customer Services Office or by email, telephone, or regular mail can only be received and processed during Agency business hours. The risk of continued use of the E-purse and other ORCA Products by an unauthorized person remains with the Cardholder until the block takes effect. Requests to block are final and may not be withdrawn.

8.4 A person who reports in-person that an RRFP or registered individual Card is missing or damaged may immediately obtain a replacement ORCA Card by paying the applicable administrative fee. Such replacement Card will be loaded with the unexpired pass product, if any, that had been on the lost, stolen or damaged Card at the time of the report. An E-purse product on a blocked Card will be restored on the replacement Card when the Card is tapped after approximately ten (10) business days. The E-purse amount restored will be that which remained on the lost, stolen or damaged Card at the time the block was processed. The Agencies are not responsible for any use of the E-purse product prior to the card block taking effect.

8.5 A person who reports via the Cardholder Website or by email, telephone, or regular mail that an RRFP or registered individual Card is missing or damaged will be mailed a replacement ORCA Card in approximately seven

(7) business days following report of the missing or damaged card and payment of applicable administrative fee. The replacement Card will be loaded with the unexpired pass product, if any, that had been on the lost, stolen or damaged Card at the time of the report. An E-purse product on a blocked card will be restored on the replacement Card when the Card is tapped after approximately ten (10) business days. The E-purse amount restored will be that which remained on the lost, stolen or damaged Card at the time the block was processed. The Agencies are not responsible for any use of the E-purse product prior to the card block taking effect.

8.6 To block a lost, stolen or damaged Business Card and obtain a replacement, the individual to whom the Card was distributed must report the missing or damaged Business Card to the Business Account. The Business Account then must report it to the ORCA system via the Business Account Website or by calling the Lead Agency. A Business Card block will take effect when the report of a missing or damaged Card is processed in the ORCA system. For fastest processing, it is recommended that the report be submitted via the Card block function in the Business Account Website. Reports submitted by email, telephone, or regular mail can only be received and processed during Agency business hours. The risk of continued use of the E-purse and other ORCA Products by an unauthorized person remains with the Business Account until the block takes effect. Requests to block are final and may not be withdrawn.

8.7 The Business Account will provide the replacement Business Card to the individual Cardholder and pay the Lead Agency any applicable fee. The unexpired pass product, if any, that had been on the lost, stolen or damaged Card at the time of the report will be loaded when the replacement Card is tapped after approximately two (2) business days. An E-purse product on a blocked Business Card will be restored when the replacement Card is tapped after approximately ten (10) business days. The E-purse amount restored will be that which remained on the lost, stolen or damaged Card at the time the block was processed. The Agencies are not responsible for any use of the E-purse product prior to the card block taking effect.

9.0 Blocking and Replacing Defective Cards

9.1 If an ORCA Card malfunctions, it will be blocked when it is surrendered at an ORCA Customer Service Office or received at the ORCA Regional Mail Center (201 S. Jackson St. MS TR-0108, Seattle WA 98104-3856.)

9.2 You may obtain a replacement of the defective Card at the time it is surrendered by paying the applicable administrative fee. Provided, however, the Card will be replaced without a fee if the Card: (a) was surrendered to an Agency within twelve (12) months after it was issued to an individual or Business Account; and (b) the malfunction, as determined by an Agency customer service representative, was caused by a defect in design, material or workmanship and was not caused by misuse, an intentional act, negligence or damage (reasonable wear and tear excepted).

9.3 If the defective Card is surrendered at an ORCA Customer Service Office, the replacement Card will be loaded with the unexpired pass product, if any, that had been on the defective Card at the time it was surrendered and blocked. E-purse product will be restored on the replacement Card, after approximately ten (10) business days, when the Card is tapped. The E-purse amount restored will be that which remained on the defective Card at the time the block was processed. The Agencies are not responsible for any use of the E-purse product prior to the card block taking effect.

9.4 If the defective Card was surrendered to the ORCA Regional Mail Center, a replacement Card will be mailed to the Cardholder within seven (7) business days of receipt of the Card and any applicable fee paid by check or money order. The replacement Card will be loaded with the unexpired pass product, if any, that had been on the defective Card at the time it was surrendered and blocked. E-purse product will be restored on the replacement Card after approximately ten (10) business days when the Card is tapped. The E-purse amount restored will be that which remained on the defective Card at the time the block was processed. The Agencies are not responsible for any use of the E-purse product prior to the card block taking effect.

10.0 Autoload Program

10.1 A registered Cardholder may authorize automatic reloading of ORCA Products and automatic payment by recurring credit card transactions. Autoload may be authorized for any one of the three ORCA Product types (transit pass, stored rides; or E-purse). A Cardholder may also authorize Autoload for a combination of the E-purse and either a transit pass or stored rides. The list of transit passes and stored rides that can be loaded via Autoload is posted on the Website: www.orcacard.com.

10.2 In authorizing an Autoload, the Cardholder agrees to:

- a. Ensure that all information provided to ORCA is true, accurate, and complete.

- b. Authorize the ORCA Agencies and their respective service providers to verify the information contained in the Autoload Authorization.
 - c. Promptly notify the ORCA Agencies of any changes to the Cardholder's name, address, telephone number(s), credit card account information and the other information provided in setting up the Autoload Authorization. Changes may be submitted online or by using the printable Autoload Authorization form.
 - d. Provide a valid credit card account and authorize a recurring transaction against said credit card account for the purchase the ORCA Products at the prices in effect at the time of each transaction.
- 10.3 If the Autoload of a monthly pass product is authorized:
- a. a new monthly pass will be loaded automatically onto the ORCA Card the first time the Card is used in the new month, and the specified credit card will be charged. IMPORTANT CAUTION: The full price of a monthly pass product will be charged for an Autoload of a monthly pass product regardless of when in that month the ORCA Card is first used.
 - b. the amount charged to the specified credit card will be based on the price in effect at the time the Autoload occurs, until and unless the Autoload Authorization is terminated as provided herein. The price of the monthly pass product is subject to change by the Agencies.
 - c. the amount charged to the specified credit card will be automatically increased from the "Youth" price to the "Adult" price on the first Autoload after a Cardholder is no longer eligible for a youth reduced fare (nineteenth birthday)
- 10.4 If the Autoload Authorization specifies a monthly regional pass product (PugetPass), the face value of a Cardholder's specified pass product may become inadequate over time as a result of fare increases or loss of eligibility under a reduced fare program. The Cardholder must revise the Autoload Authorization if a regional pass product with a higher face value is needed.
- 10.5 If Autoload of E-purse value is authorized:
- a. the amount to be added must be specified in full dollar increments of at least \$5.00 but not more than \$300.00.
 - b. the specified amount will be loaded automatically to the ORCA Card and the specified credit card will be charged when the ORCA Card is tapped to pay a fare and the E-purse value is insufficient to pay the fare of the current trip. IMPORTANT CAUTION: An Autoload of an E-purse will not be performed more than once per day or more than five times in a single month.
- 10.6 An Autoload authorization shall remain in full force and effect until it is terminated by the Cardholder or by the Agencies as follows:
- a. The Cardholder may terminate his/her Autoload authorization by notifying the Agencies via the Cardholder Website or by submitting a signed written termination notice to the ORCA Regional Mail Center (201 S. Jackson St. MS TR-0108, Seattle WA 98104-3856.) The Autoload termination notice shall specify an effective date that is at least ten (10) business days after the date of submittal of the form.
 - b. If the specified credit card expires or is otherwise terminated or if a credit card transaction authorized hereunder is rejected, reversed or otherwise fails to cover the price of an Autoload ORCA Product, any ORCA Agency may, at its sole discretion, block the use of any ORCA Product to prevent its further use and terminate the Autoload, or both. Under any circumstance, the Customer is liable for payment of the Autoload value if the credit card transaction failed to cover the price.
- 10.7 If an Autoload is terminated due to failure of a credit card transaction to cover the price of an Autoload ORCA Product, the Cardholder may submit a new Autoload Authorization either online or using the printable Autoload Authorization form.

11.0. Business Accounts and Business Cards

11.1 An employer, school, social service organization or other entity may apply to enter into Business Account agreement with a Lead Agency to purchase ORCA Cards and ORCA Products for distribution to its employees, students, clients or other participants in its transportation program.

11.2 Each order for Cards and/or products that a Business Account submits and any other use of ORCA Program will be subject to the agreement and the prices in effect at the time of the order or use. A Business Account is responsible for reviewing the prices and fare information available from the Lead Agency before submitting each order; and

shall be deemed to have agreed to pay the amount(s) displayed in the website order process by the act of submitting an order.

11.3 Although a Business Account remains the owner of the Business Cards after distribution, the Cardholder has the following privileges in connection with the use of an ORCA Business Card.

- a. The Cardholder may present an ORCA Business Card, loaded with a valid, applicable ORCA Product, to an ORCA fare transaction processor as proof of payment of all or a portion of a required fare on transportation service operated by one or more of the ORCA Agencies. (Provided, however, an ORCA Product that is not sufficient to fully pay a fare will not be accepted as partial payment by the Washington State Ferries.) In all cases, a Cardholder will be required to make other payment to the extent a fare is not covered by an ORCA Product.
- b. The Cardholder may individually purchase ORCA Products and load them on the Business Card in addition to whatever ORCA products have been loaded by the Business Account.
- c. The Cardholder may register his/her name and other contact information with the ORCA System and link such personal information to the serial number of the Business Card provided to him/her. Such registration does not give the Cardholder any ownership rights in the Business Card but does give the Cardholder the right to access the ORCA Cardholder Website to view the Card's transaction history and current stored value and to modify travel zone preferences.

11.4 The Business Account is responsible for implementation and enforcement of Cardholder Rules of Use and shall require that the Cardholder, as a condition of receiving a Business Card, sign written Cardholder Rules of Use that include:

- a. a prohibition on the sale or transfer of the Business Card;
- b. notice that the Cardholder is required to pay any difference between a required fare and the value of the fare product loaded onto the Business Card;
- c. notice that any ORCA Products purchased by the Cardholder with his/her own funds and loaded on the Business Card, including but not limited to the E-purse, will become the property of the Business Account and any subsequent refund to the Cardholder would be the responsibility of the Business Account in accordance with its refund policy. Individuals are encouraged to purchase an individual ORCA Card if they have concerns about refund policies.
- d. notice that the ORCA System will record data each time the Cardholder presents a Business Card to an ORCA device to prove fare payment, to load a product on it or to review the amount and type of product on it. Such data will include but not be limited to the date, time and bus route or other location related to the Card being presented. Such data is owned by the ORCA Agencies but accessible to the ORCA System contractor(s) that operate it, the Business Account, and the ORCA Agencies.

11.5. The Business Account Website is the primary means by which the Business Account shall purchase ORCA Business Cards and ORCA Products, manage its Business Cards and obtain information about the use of said Cards. The Business Account agrees that it will use the Business Account Website when it is available and that each access and use of said website shall be subject to the Terms of Use and Privacy Statement that are in effect and posted on the Business Account Website at the time of such access and use.

11.6 The Business Account understands and agrees that uninterrupted access to and use of the Business Account Website is not guaranteed and agrees that it will contact its representative at the Lead Agency by email or telephone if the website not available.

11.7 The Business Account understands and agrees that it is responsible for complying with any security standards specified by the Lead Agency which include but are not limited to controls on issuing, managing and rescinding access rights and passwords to the secured website pages for the Business Account.

12.0 Retail Revalue Sites

12.1 The sale of an ORCA Product at a Retail Revalue Entity is final and no refunds will be made by the Retail Revalue Entity.

12.2 The Retail Revalue Entity, not the Agencies, is responsible for the collection, storage, transmittal, safekeeping and use of payments and information you may provide to the Retail Revalue Entity in order to add value to an ORCA Card.

12.3 The Retail Revalue Entity is not able to block and replace lost, stolen, damaged or defective Cards.

13.0 ORCA Websites

13.1 ORCA Websites and any ORCA Customer Services that require PII are not intended for minors, and we will not accept or request information from individuals we know to be under 18.

13.2 The ORCA Websites may provide links to various other websites, including each individual Agency's website. The Agencies are not responsible for each other's websites nor for other "non-ORCA" websites; any terms or privacy policies that appear on an Agency's website pertain to information collected by that Agency other than in connection with the ORCA Program. Your use of other websites will be subject to their respective terms and conditions.

13.3 Information on the ORCA Websites may change without notice.

13.4 If you create, or are issued, a password in connection with the ORCA Websites, actions or communications utilizing it will be attributed to you, even if someone else is using it. You need to keep your password confidential and not share it with anyone you have not authorized to use it on your behalf.

13.4 The viewing, printing or downloading of any content from an ORCA Website grants you only a limited, nonexclusive, revocable license for use solely by you for your own personal use and not for republication, distribution, assignment, sublicense, transfer, sale, preparation of derivative works or other non-personal use. No part of any content, graphic or document may be reproduced in any form or incorporated into any information retrieval system, electronic or mechanical, other than for your personal use. Except for the limited rights expressly granted herein, all right, title and interest in and to the Websites and all materials contained therein are retained by the Agencies. Your right to access ORCA Websites may be terminated at any time by the Agencies without notice.

14.0 Prohibited Acts

14.1 Use of any element of the ORCA Program is conditioned upon the user complying with all local, state and federal laws and regulations. Users shall not use the ORCA Program, including but not limited to the ORCA Websites, ORCA Cards and ORCA Products, in an unlawful manner or for an unlawful purpose. Without limiting the foregoing, users shall not do, or attempt to do, any of the following without the Agencies' express written permission in a non-electronic record: (a) attempt to access any area of an ORCA Website or ORCA equipment that the user is not authorized to access; (b) tamper with an ORCA Website or an ORCA Card or use any hardware or software intended to damage or interfere with the proper and timely functioning of an ORCA Website or ORCA Card; (c) intercept or collect any ORCA data or personal information from an ORCA Website, ORCA Card or ORCA equipment; (d) create a web page or site or computer application of any kind that deep links to or frames ORCA websites, any page of said Websites, or any graphics, trademark or other proprietary information of any kind located on said Websites without the Agencies' express written permission; (e) use meta tags or any other type of hidden text utilizing ORCA Program or Agency names, trademarks or intellectual property rights on a web site without the Agencies' express written permission; (f) alter, interfere with or deface information, graphics, trademarks or anything else on or obtained from an ORCA Website or ORCA Card; (g) use any robot, spider, scraper or other automated means or interface not provided by ORCA to access an ORCA Card, the ORCA Website or to extract data; (h) reverse engineer any aspect of the ORCA Websites or ORCA Cards, or do anything that might discover source code, or bypass or circumvent measures employed to prevent or limit access to, or change of, any area, content, value or code; (i) send or otherwise affect an ORCA Website, ORCA Card or any other service with software such as a virus, spyware or other code that could be illegal, harmful, deceptive or disruptive to the site, ORCA Cards, Cardholders, employers or others to whom ORCA Business Cards are issued, or to any Agency; or take any other action which might impose a significant burden (as determined by ORCA) on an ORCA Website or Card; (j) "frame" the ORCA Websites or otherwise make it look like ORCA or an ORCA Agency has a relationship to a person or entity that it does not actually have, or has endorsed someone or something for any purpose; or (k) take any action which imposes an unreasonable or disproportionately large load on an ORCA Website or ORCA Program network or other infrastructure.

14.2 Your messages and provision of information to the ORCA Websites or to one or more of the Agencies about the ORCA Program must be accurate, proper and related to the purposes of the ORCA Program. The following actions are prohibited: (a) Making a misrepresentation such as misrepresenting one's identity, financial information, or eligibility for a program, benefit, fare or other service; and (b) Posting or sending any defamatory, infringing, obscene, false, or unlawful material.

14.3 We hope you will provide free feedback to us to improve the ORCA Program. However, you are prohibited from providing feedback that infringes or violates the rights of others. By providing feedback, you grant a License to ORCA in your feedback and agree that no one has an obligation to pay for feedback or for the license to ORCA.

15.0 Administrative Fees

The following non-refundable fees will be charged:
